

Happy Cinco De Mayo, my friends!

Please watch the attached read aloud story about Cinco De Mayo, which is a Mexican holiday that is celebrated today, on May 5th.

Below is a picture of the flag of Mexico. The flag of Mexico is green, white and red. Use the colored flag as an example to color your own flag of Mexico.

The country we live in is the United States of America. Our flag is red, white and blue.

Below is a picture of what our country, the United States of America, and the country of Mexico look like on a map. The flags are inside so you can see the difference.

Point to the United States of America (find our flag).

Now here is my question for you, boys and girls.

Is Mexico above (on top) or below (under) our country, the United States of America?

Have fun coloring!

Love,

Ms. Daniella
